

SmartSourcing Ltd | Payroll Options for You

We will work with you to find the right payroll solution for your needs and ensure compliance with the new reform of the intermediaries legislation (IR35) affecting the Public and Private Sectors.

We have undergone a rigorous process to select four companies to provide Umbrella and Accountancy services ensuring you are tax compliant throughout the duration of your contract.

Contact our Umbrella PSL, don't forget to confirm you're a SmartSourcing Contractor to access our discounted terms
